RE: Dominion

Dear Speaker Aresimowicz and House Majority Leader Ritter,

As a follow-up to my letter to you yesterday, please be informed that I know first-hand, having remained in continuous contact with the leadership of Millstone, that Dominion will leave the State of Connecticut.

It is critical that we act NOW, and that the issue is put on the table today, or Millstone IS leaving the state. Dominion has already closed one of its nuclear power plants, and it has started a strategic assessment process.

Please allow language regarding policy for Dominion to be part of the state's procurement process to be included in the House Democrat Budget. Thank you again for your consideration and attention to my final request.

Best Regards,

Kathleen M. McCarty
